

30 JAN 1957

MEMORANDUM FOR: Assistant Director for Operations

SUBJECT: Results of Plant Visits Made by an OHR Analyst

1. The efforts made by OO/C in arranging the plant visits made by Mr. [REDACTED] of OHR on 10-14 December 1956 have resulted in our obtaining much useful data. Persons contacted at the [REDACTED] vania, and at [REDACTED], were cooperative both from the substantive and the security points of view.

2. We appreciate your fine work in smoothing the way for us to obtain information from private enterprises. Thank you for your continuing support of our research program. We suggest that your field representative may wish to indicate to the appropriate company officials our satisfaction with the results of these visits.

OTTO E. GUTHE  
Assistant Director  
Research and Reports
